Dalmatian Rescue comprises a group of volunteers who give of their time to help find good homes for stray or unwanted Dalmatians. There is no profit motive, and any charges are to assist towards the costs involved in finding suitable homes for the animals; the volunteers receive no salary at all. As with all pet adoptions, we need to be sure that the proposed home is suitable, and if the completed Application Form is in order we will arrange for a Home Check to be done; if you are not prepared to allow this we cannot assist you further. Also, please note the following:

To be considered as an adopter, you must:

- Be 21 years of age or older
- Have identification showing your present address
- Have the knowledge and consent of your landlord
- Be able and willing to spend the time and money necessary to provide training, medical treatment and proper care of the dog

Please be aware that:

- We only home our dogs to homes where all existing pets are sterilised.
- Our dogs deserve to sleep inside and be a part of the family.
